3. On 2 and 3 November respectively, two trains, each carrying 1,500 recruits wearing red-bordered black epaulets, were unloaded at the eastern ramp in Frankfurt/Oder. The soldiers, who were 17 or 18 years old, proceeded toward East Saxony aboard Soviet leave trains.

25X1

* [redacted] Comment. The first three trains are believed to have carried components of the 12th Gds Tank Div which returned to their home stations from field exercises in the Cloefen-Havelberg area. The first two trains were previously reported by another source. [redacted]

25X1

25X1

The information on the last three trains

25X1

[redacted] already went to a training area, because [redacted] the 65th Gds Tank Regt of the 9th Gds Tank Div in Neustrelitz, which is thus confirmed until 23 October.

25X1

25X1

Comment, Components of the 7th Gdr Tank Div, which probably returned to their winter billets, were loaded on the first and third trains. The loading of two trains with components of the same division at Genthin and Jürg respectively was observed by another source on 22 Oct 1944.

25X1

Comment. The two trains with recruits are reported for the first time. Another source also reported that small shipments of recruits have been dispatched from Frankfurt/Oder to military posts in the Soviet Zone of Germany.
